

**Bulletin of the
Allahabad Mathematical Society
Dharma Prakash Gupta Memorial Volume**

**TENTATIVE CONTENTS
VOLUME 33, PART 1, (2018)**

Shankar Rao Munjam, Ram Prakash Sharma and Jifeng Cui

Thermal dispersion and buoyancy effects in mixed convection
stagnation-point flow using HAM

H. Khabazian

Racial decomposition for modules

Manasi Mandal, Mandobi Banerjee and Nantu Sarkar

Different types of rough statistical convergence of order α
in probability

Artion Kashuri, Rozana Liko and Muhammad Adil Khan

Comfortable fractional integral inequalities of hermite-hadamard
type for twice differentiable generalized beta (r, g) -preinvex
functions

Balvir Singh and Saurabh Porwal

On a convex subclass of harmonic univalent functions
